

**28th July 2021**

Tregony's biggest petanque event yet – and all for charity.

A good day yesterday at Tregony Sports Club, which hosted an invitation event organised by the St Austell U3A petanque group, many of whom are also Tregony Club players.

A great turnout of 30 players, including for the first time a group from Truro U3A, made it the largest petanque competition to take place at Tregony to date: a couple of people couldn't make it at the last minute or it would have been a capacity 16 teams for the eight lanes available for play.

The afternoon playing session was run with two leagues of four teams and one of six, with the winners of each league (and one runner-up team) going through to semi-finals and finals.

The semi-finals saw Chris Crane and Vicki Howard pitted against Pete and Nicky Tombs and Paul Rundle and Chris Scott facing Mick and Jenny Skipp.

Chris and Vicki played Paul and Chris in the final, coming through to win with a score of 13-7. There were prizes!

Tregony Club put on some great food – one of Phil's famous chicken curries! – and music for a fine summer afternoon from the Garker Street Band. Plus a cake stall!

Overall the event raised more than £200 for the RNLI.
