

July 17th – Devon / GWR / Kernow 3-Way Competition – Icsa Exeter

This was the first of what used to be an annual 3-way match since Covid. Some fierce competition from the GWR and Devon teams in the searing heat left Kernow in a disappointing 3rd place. It was a great day of petanque and well a organised event.

3 points were awarded for a win and 1 each for a draw. The final scores after 108 games (36 for each region): Devon 78, GWR 54 and Kernow 27. Well done Devon, we'll be out for revenge next year!
