

Mixed Ability & Experience Triples Competition Competition

Tregony 15th October

Sunday saw 26 players turn up to the 1st of this experimental format. Players were split into 3 groups . 0 to 2 years experience , 2 to 5 years experience & over 5 years experience. Then one from each group was randomly drawn to form a triples team for the rest of the day. Unfortunately due to the numbers 1 team had to have 2 of the most experienced players in it & by the luck of the draw also had a player of considerable experience as their middle player. No matter though as the aim of the format was for the less experienced players a chance of competing in a fair balanced competition & hopefully learnt a thing or too along the way(hopefully some of the more experienced players learnt a thing or 2 too).

It was great to see some fresh faces playing that seemed to enjoy the day. And the the weather gods were with us too for a change.

Wnners of the plate were Jane Stevens, Terry Howard/ Shelagh Kester & Boot.

Runners up in the main were Mike Carter, David F? & David Boardman

Winners of the main were no surprises Andy Rose, Pete Tombs & Mark Hypponen.

A big thank you to everybody that turned out to make it such an enjoyable day & to Tregony Sports Club & Tregony PC for hosting us. I aim to follow up with some coaching & will definately organise similar in the future.
